

CENTRAL LOUISIANA TECHNICAL COMMUNITY COLLEGE

Job Description

Patient Care Technician Instructor – Ferriday, LA (09 Month – Position)

CLTCC serves nine parishes (Allen, Avoyelles, Catahoula, Concordia, Grant, LaSalle, Rapides, Vernon, Winn) in central Louisiana and has seven sites: 1) the Main Campus in Alexandria; 2) the Avoyelles Site in Cottonport; 3) the Huey P. Long Site in Winnfield; 4) the Rod Brady Site in Jena; 5) the Lamar Salter Site in Leesville; 6) the Oakdale Site in Oakdale; and 7) the Ferriday Site in Ferriday. Additionally, CLTCC provides instruction in four state prisons and two federal correctional institutions.

SUMMARY:

Reporting to the Nursing Lead Instructor, the Patient Care Instructor will provide instruction for patient care technician courses within the PCT program curriculum, as assigned by the Dean of Allied Health. The Instructor will be responsible, in cooperation with other program instructors, for providing students with a complete syllabus containing course objectives. The instructor is also responsible for presenting enthusiastic, well prepared, organized, and clear lectures and classroom activities consistent with the course syllabus as well as labs and clinical experiences compatible with course content. The lecture, labs, and clinical experiences will be designed to continually promote the development and effective use of skills in areas such as critical and analytical thinking, evaluation, communication, computation, problem solving, and decision-making; providing the student with timely information and feedback on his/her academic progress relative to quizzes, tests, homework, and projects; maintaining accurate, up-to-date records of student academic performance; and possessing a thorough knowledge and understanding of all college policies.

Duties and Responsibilities:

- The PCT Instructor will provide instruction for Patient Care Technician courses within the PCT program curriculum, as assigned by the Dean of Health Programs.
- The PCT Instructor will be responsible, in cooperation with other program instructors, for providing students with a complete syllabus containing course objectives.
- The PCT instructor is also responsible for presenting enthusiastic, well prepared, organized, and clear lectures and classroom activities consistent with the course syllabus as well as labs and clinical experiences compatible with course content.
- The lecture, labs, and clinical experiences will be designed to continually promote the development and effective use of skills in areas such as critical and analytical thinking, evaluation, communication, computation, problem solving, and decision-making; providing the student with timely information and feedback on his/her academic progress relative to quizzes, tests, homework, and projects; maintaining accurate, up-to-date records of student academic performance; and possessing a thorough knowledge and understanding of all college policies.
- Establish and adhere to learning objectives as stated in course syllabi.
- Develop evaluation methods that fairly measure student progress toward objectives.

- Evaluate and utilize student work to promote maximum learning.
- Effectively administer assessment of student learning and technical objectives.
- Maintain accurate, complete, and correct records as required by law and administrative guidelines.

Required Knowledge, Skills and Abilities:

Skills:

- Excellent written, oral presentation and interpersonal communication skills.
- Management, organizational, and supervisory skills.
- Superior team-building skills to build trust with others in a rapidly changing environment.
- Excellent organization, planning, and prioritization skills are essential.

Required Minimum Qualifications:

- Practical Nurse (current Louisiana license in good standing with no disciplinary action pending).
- Possess a Practical Nursing diploma in nursing.
- Minimum of three (3) years' nursing experience.
- Must have practiced as a nurse for a minimum of six full-time months during the three years immediately preceding application.
- Experience or education as nurse educator or trainer.
- Effective oral and written communication skills.
- Ability to interact effectively and professionally with students, staff, and faculty.
- Display a student-centered approach.
- Willingness to reinforce all lecture lessons with hands-on experiences when resources permit.
- Consistently demonstrate the highest levels of integrity and professionalism.
- Physical and emotional qualifications (the incumbent may be required to use the following requirements during any part of the working day): speaking, hearing, walking, visual observation of student performance, hand/eye coordination to perform computer applications, and consistency of temperament.
- Computer literate.
- Commitment to learning and development.

Preferred (Desired) Qualifications:

- Experience, education as nurse educator, trainer, Bachelor's Degree in nursing.
- Work constantly to instill in students the technical and academic competencies and employment behavior expected within the career of nursing.
- Work effectively with healthcare representatives to ensure that current skills and techniques are provided in the classroom and lab settings.
- Collaborate with nursing faculty members to prepare for class and lab instruction and show written evidence of preparation upon request.
- Employ a variety of instructional techniques and instructional media consistent with the physical limitation of location provided and the needs and capabilities of the individual or student groups involved.
- Develop and maintain a classroom and lab environment conducive to effective learning with the limits of the resources provided.

- Develop and enforce appropriate rules and expectations of students in the classroom and lab settings that are in compliance with CLTCC policies/procedures and that result in a safe, effective learning environment.
- Effectively use technology tools including, but not limited to, e-mail, MS Office, Internet.

Compensation:

Compensation will be \$29, 395.00 - \$35, 761.00

Application Instructions:

- A cover letter of no more than two pages indicating how the qualifications and employment standards listed in this position announcement are met.
- A detailed résumé that summarizes educational preparation and professional experience for the position.
- Candidates selected for an interview must provide:
 - College and university transcripts showing the awarded/conferred degree to meet required educational qualifications. Unofficial transcripts are acceptable at the time of application.
 - Three letters of recommendation are required. To honor applicant confidentiality, a letter of recommendation from your current immediate supervisor is not required.
 - The names, home and cell telephone numbers, and e-mail addresses of three references. Applicants will be notified before references are contacted.
- The selected candidate will be required to undergo a background check.
