

Position: Construction Laborer

Description: Brevard Zoo is looking for a Construction Laborer to assist with various construction projects throughout the Zoo. This is a long-term, full-time, temporary position. Pay is based upon experience.

Basic function: Performs, but not limited to, Zoo construction projects and maintenance of Zoo property.

Responsibilities:

- Perform general entry-level construction duties including, but not limited to, site work demolition, carpentry, drywall, masonry, welding and general maintenance and repair.
- Operate hand tools, small power tools and related safety equipment.
- Follow written and verbal instructions.
- Work well with Zoo staff, peers, and supervisors.
- Performs other Zoo construction and maintenance duties and required for Zoo operations.

Qualifications:

- A minimum of one year of general construction and/or maintenance experience is preferred.
- Knowledge of plumbing, hand tools, carpentry, masonry and general construction principals is preferred.
- The ability to work in outside environmental (hot, humid, cold and wet) conditions is required.
- Willing to learn and participate as a team player.

Job type: Full-time, temporary

All candidates must pass a drug and background check prior to working. If interested, please send a resume to hr@brevardzoo.org or come to the Zoo and complete an application.
