

CONTACT INFORMATION RELEASE FORM

In LULAC's ongoing effort to make our website a primary source for information pertaining to the Hispanic community we are designing a searchable online directory of LULAC councils. Through this directory visitors to the website, including but not limited to potential sponsors and partners, media, and constituents, will be able to locate local councils via the web thereby better facilitating operations of the league.

This form is a contact information release waiver authorizing the LULAC National Office to post contact information on the LULAC website: www.LULAC.org. Contact information should be provided for the council president or designated representative.

I hereby grant permission for my contact information detailed below to be listed on the website of the League of United Latin American Citizens at www.LULAC.org.

This permission shall be terminated when I leave the specified office, or when I retract this permission, whichever shall occur first. It is the duty of the council president or designated representative to keep contact information up-to-date for current officers.
