

Medical Sales Office Job Description

Are you motivated? Are you looking for the job that challenges your core skills? Would you like to work towards creating general awareness about a condition that silently plagues people's lives? Omnisleep offers a job that provides you with the opportunity to change people's lives.

Founded in 2010, Omnisleep is focused on delivering various turnkey solutions for sleep disorders in India. Our treatment protocol has been refined over years of providing quality service to our patients in the USA.

Desired skills:

1. Minimum 1 year of work experience as a medical representative in Mumbai
2. Polished with good English speaking skills for effective communications with doctors
3. Be motivated and identify potential doctors to meet with.
4. Be willing to work late when needed depending on appointments scheduled with doctors.
5. Be a team player and pleasant to work with.

Key functions:

1. Identify and schedule appointment with general physicians.
2. Meet with 6 new physicians each day with a goal to partner with them.
3. Understand physician concerns, if any, and relay them to the manager.
4. Provide daily reports of meetings.

Compensation: Rs. 15,000 – Rs. 20,000 per month (depending on experience) + daily allowance. Eligible for incentives after 3 month probationary period and performance review.
