

Job Title: Assistant Photographer/Photo Digital Assistant

ID 100576 - Posted 04/23/2015 - Year Round - Mountain Resorts - CO – Vail/Beaver Creek area (Eagle County) - Sales and Marketing - United States - Colorado - Vail

The primary function of this position will be assisting the senior photographer and production manager in all aspects of the department's work. Manage creative digital assets from creation to fulfillment on web-based photo library, including post production, categorizing, proper keywording, and uploading. This role also serves as a photo assistant/second photographer on assignments with development towards becoming an additional primary photographer. Ideal candidate aspires to do whatever is necessary to ensure that a production runs smoothly. Requires a high level of attention to detail, being process oriented with great follow through. Also possesses proficient lighting and photographic technical skills.

ESSENTIAL JOB RESPONSIBILITIES:

- Editing and processing digital images from creation to submission to the online image portal
- Acting as a supporting or second photographer during photo productions/assignments; providing technical support
- Manage post-production on images, vets all work, responsible for end product
- Managing the on-line photography library and maintaining its functionality. This includes all phases of the process including post production to key wording renaming and loading to the Image Portal.
- Responding to image-related inquiries from marketing departments and external partners
- Assisting senior photographer with all aspects of photo productions, including lighting and on and off mountain assignments
- Assisting Project / Production Manager as needed
- Representing Vail Resorts professionally and ensuring the photo department operates to the highest standard

JOB REQUIREMENTS:

- Bachelor's Degree – emphasis on photography
- Photo assisting, post production, client relations
- Proficiency in Adobe Photoshop, Macintosh, Adobe Lightroom
- Good oral and written communication skills required
- Must be organized, detail-oriented and professional; ability to multi-task in a fast-paced environment; intermediate ski proficiency
- Photo Lighting, Equipment Manager, Editing, post production Photoshop

Have Fun. Serve Others. Do Right. Drive Value. Do Good. Be Safe. These are the values Vail Resorts employees embrace daily. As the premier mountain resort company in the world and a leader in luxury, destination-based travel at iconic locations, we operate in three highly integrated and interdependent segments including mountain, lodging and real estate. Vail Resorts employees are good at what they do and we welcome people who bring enthusiasm, pride and commitment to creating an *Experience of a Lifetime* to our stakeholders.
