

Prayer Shawl Request Form

A prayer shawl is a powerful, comforting reminder of God's love and care. It may be presented for happy occasions, such as: weddings or childbirth, comfort during time of grief, or while dealing with an illness or other stressful situation. If you know someone in need of such a reminder, please complete this request and place in the offering plate and/or leave in the UMW mailbox in the church office.

Prayer shawls are being made by members and friends of the United Methodist Church at Absecon. There is never a charge for one of the shawls; however, we will accept small donations to help purchase yarn and other supplies. Each shawl is prayed for while being made and before it is presented to the recipient.

We will fill your request as soon as possible after it is received. Any questions, contact Susan Reitmeyer (652-1390, mommom98@hotmail.com) or Linda Babcock (646-5675, ljbab1@yahoo.com).
