

Medication reconciliation

Agency: _____

Date of reconciliation: _____ Evaluator: _____ RN _____

Patient name: _____ Patient DOB: _____

One of the benefits of Priority Health Medicare Advantage plans is a Post-discharge In-home Medication Reconciliation. A critical element to the success of this initiative is relaying your findings to Priority Health to ensure the care team is able to follow up on the recommendations and care needs. When complete, please fax this “medication reconciliation” form to the Priority Health Healthcare Coordinator within Care Management at 616.942.0024.

For questions, please contact 800.998.1037, ext. 68911 or 616.464.8818, ext. 68911

Check all items that were completed during the visit:

- Developed a complete and accurate list of all medications
- Assessment of list for interactions/discrepancies
- Notification of interactions/discrepancies to the following:

- Education regarding medications including:

- Medication set-up

Medication reconciliation

Patient name: _____ Patient DOB: _____
