

New Faculty Orientation Evaluation

We value your input as a new faculty member at The Citadel, and to better understand your academic needs, we are asking you to complete this brief evaluation form. Please remember that the goal and objectives of this orientation are to better prepare you for your teaching experience at The Citadel; therefore, we ask that your comments honestly reflect your thoughts and suggestions. Thank you so much for spending the week with us, and welcome!

1. What suggestions do you have to make this training more meaningful and helpful?

2. Which presentations would you suggest we include for next year's orientation?

3. Which handouts do you feel will be the most useful to you?

4. Are there any presentations that should be shorter or not on the program next year?

5. We welcome your suggestions and comments, so please feel free to list them here.
