## ALBUM ORDER FORM

---

You have **1 YEAR** from your wedding day to let me know what album option you prefer. Once you receive your album proofs by email, you have two weeks to indicate what changes you would like.

So please do not delay!

---

### I \ PLEASE CHECK WHAT YOU PREFER

- Give ee Photography full artistic freedom to select the images and design the book.** EE will mainly stick to the photos in the “Favorites” folder from your wedding disk. After the book pages are designed, you will have 5 free photo substitutions. After that it will be \$10 per photo change and \$45 for a complete page layout change.
  
- Select your own wedding day images.** Burn your selected images to a CD at full resolution (big size) and mail to: ee Photography, 1237 Forest Park, Weatherford, TX 76087

*To help keep your album balanced, 50-65 photos works best. Here are some suggestions:*

- 11 pictures      *From the getting ready process (shoes, dress, jewelry, etc.)*
- 8-10 pictures      *Bridal party variety (bride + groom, bridesmaids, groomsmen, etc.)*
- 8 pictures      *Family photos variety*
- 10 pictures      *Ceremony*
- 16 pictures      *Reception (cake cutting, garter, bouquet toss, and don't forget to include detail shots of the venue help show what the wedding day looked like)*
- 1-3 pictures      *Dont forget to specify which photo(s) you would like for the album cover. Keep in mind if the cover has a slot for a vertical photo, a horizontal photo will not work. So the photo you choose should depend on what album cover you prefer.*
