Customer Service Agreement

This Service agreement is upheld by both the end user (the customer) and c2a.com.au

c2a.com.au will provide the necessary fixed wireless rooftop equipment needed for the customer to access c2a.com.au's services and will continue to provide the equipment until such times that either the customer no longer requires the service or c2a.com.au cancels the customers service for financial reasons such as non payment of services.

I (name)

Of (address)

Phone number

e-mail address

Agree to the above service agreement terms of service and wish to proceed with connection of c2a.com.au services.
