2016/2017 Seasonal Influenza Vaccine Order Form

Facility name: _____ Contact person: _____

Address: _____

Street #

Street Name

City

Phone: _____ Fax: _____

Vaccine Products	Doses on hand	Doses requested
Agriflu[®], Fluviral[®] (TIV for 6 months of age and older) Multi-dose vials		
FluLaval[®] Tetra, Fluzone[®] Quadrivalent (QIV for 6 months of age through 17 years of age) Multi-dose vials		
FluMist[®] Quadrivalent (Q-LAIV for 2 to 17 years of age) Single dose nasal sprayer		
All children under 9 years of age who have not received any previous doses of flu vaccine in a previous season require 2 doses at least 4 weeks apart. All 2016/2017 vaccine products are interchangeable.		
There may be a nominal supply of thimerosal-free vaccine this season. Orders will be filled by special request if/when this vaccine becomes available.		
Return all unused influenza vaccine to Public Health by April 30, 2017.		

Please use this form for **ALL** influenza vaccine orders

Allow 3 business days for your vaccine order to be filled. Vaccine orders will only be processed when accompanied by the most current 4 week temperature log (including up to present day).
