

**Casting for Recovery® 2016 Application Form**  
**A Program of fun and support for Breast Cancer Participants**

The weekend retreats are at no cost to you the participant apart from your travel.

CFR is for or all ages and stages of breast cancer treatment and recovery. **Please note, if you are secondary status and wish to apply we welcome your application however there will be a little more medical information needed for your application. We will make this weekend as special as we can for you.**

Your medical clearance must be provided at the time of application. Please take this form to show your medical care provider. He/She can then sign the medical clearance for you to send in with your application. It is quite acceptable for your Breast Care Specialist or Oncology Nurse to sign this form for you.

### **Medical Clearance Certificate**

CFR retreat weekends are all about fun and support, incorporating the wonderful sport of fly fishing. Fly fishing allows the participant to enjoy the peace and tranquility of the outdoors and to be in the moment, where all they have learnt over the weekend is finally in practice on Sunday morning. Each participant has their own personal fishing guide for their time spent in the water.

**Secondary status applicants** must be able to stand for periods of time and to balance in running water. The action of fly fishing involves whole body movement, some hip rotation and a full range of arm movement. Please note, our medical director may contact you with regard to this.
