

This form has been provided so that your treating doctor, optometrist or ophthalmologist (if required) may provide their opinion as to whether or not you meet the medical and/or visual standard for a driver licence for the class/es of licence you are applying for, renewing or currently hold.

Part 1 of this form should be completed by you before giving the form to your treating doctor;

Part 2 should be completed by your treating doctor after considering any report from a specialist, optometrist or ophthalmologist (if required);

Part 3 should be completed by the treating optometrist/ophthalmologist if the vision or eye disorder is not rectified by wearing glasses or contact lenses;

Part 4 Medical Assessment Information provides helpful information about this form.

This medical assessment should be conducted in accordance with the national medical standards (Commercial and Private Vehicle Drivers) **Assessing Fitness to Drive 2012 (AFTD)**. This publication is available from the Department of Transport and Main Roads or the Austroads website www.austroads.com.au. For more information about medical conditions and medications, please refer to the Department of Transport and Main Roads website www.tmr.qld.gov.au.

Parts 1 and 2 of this form must be completed in full or it will not be accepted by the Department of Transport and Main Roads.

Part 1 Personal Details (to be completed by the driver)

1. Personal details

Family name

Given name/s

Date of birth

 / /

Male

Female

Residential address

Postcode

Licence number (if known)

State/Territory/Country of issue

2. What type of licence are you applying for or currently hold?

Learner

P, P1, P2 type

Open

3. What class/es of licence are you applying for or currently hold?

Motorbike (RE or R) Heavy Rigid (HR)

Car (C) Heavy Combination (HC)

Light Rigid (LR) Multi-Combination (MC)

Medium Rigid (MR) Specially Constructed Vehicle (UD)

4. Do you drive, or intend to drive—

• a vehicle with a GVM of more than 8t (class MR, HR, HC, MC, UD)?
No Yes see note 1*

• a public passenger vehicle (for example, bus, taxi, limousine)?
No Yes see note 1*

• a vehicle transporting dangerous goods in a receptacle with a capacity of more than 500L or 500kgs?
No Yes see note 1*

***Note 1:** Please complete page 1 of the **Private and Commercial Vehicle Driver's Health Assessment** (form F3195) before the assessment. You should be assessed using the commercial standards under the AFTD.

5. Do you need to wear glasses or contact lenses for driving?

No

Yes

6. Have you been given a show cause notice, issued by a driver licensing authority or a police officer to amend, suspend or cancel your driver licence?

No

Yes

7. Driver's declaration:

I understand that if I have stated anything on this form that is false or misleading the driver licence granted to me will be absolutely void and have no legal effect whatsoever.

I understand that I may be prosecuted for giving or stating any false or misleading information in relation to this form.

I declare that the information given to my treating doctor, optometrist or ophthalmologist (if required) about my medical condition is, to the best of my knowledge, true and correct. I give my consent for a departmental person to contact my treating doctor, optometrist or ophthalmologist (if required), for further information or clarification relevant to my medical condition or about my ability to drive safely the class of vehicle authorised to be driven under the licence applied for or currently held.

Driver's signature

Privacy Statement: The Department of Transport and Main Roads collects this information under the provisions of the Acts nominated on this form so that you may confirm your medical fitness to drive a motor vehicle safely. The Department of Transport and Main Roads may disclose this information to interstate authorities that issue driver licences, pilot or escort vehicle driver accreditations, driver or rider training accreditations, traffic controller accreditations, dangerous goods vehicle licences, tow truck licences and driver authorisations, and the Queensland Police Service (QPS). Your information will not be disclosed to any other third parties without your consent, unless required or authorised by law.

Part 4 Medical Assessment Information

This information has been prepared as a guide for you and your treating doctor when a medical assessment is required to determine whether or not you meet the medical standards for the class of driver licence being applied for, renewed or currently held. These standards are set out in the national medical standards (Commercial and Private Vehicle Drivers) Assessing Fitness to Drive 2012 (AFTD).

The Department of Transport and Main Roads provides the following medical assessment forms—

- **Private and Commercial Vehicle Driver's Health Assessment (form F3195)**

This form has been provided to assist your treating doctor to determine whether you meet the medical standards for a conditional or unconditional driver licence. The form will assist your treating doctor when completing the **Medical Certificate for Motor Vehicle Driver** (form F3712). The completed form F3195 will be retained by your treating doctor.

- **Medical Certificate for Motor Vehicle Driver (form F3712)**

- Part 1 of this form must be completed by you and taken to the appointment with your treating doctor.
- Part 2 of this form has been provided so that your treating doctor may declare whether or not you meet the medical standards for a conditional or unconditional driver licence for the class of licence being applied for, renewed, or currently held.
- Part 3 has been developed to be completed by a treating optometrist or ophthalmologist if your treating doctor has requested an assessment of your vision standards.

Important note:

After assessing your fitness to drive, your treating doctor may complete a **Medical Certificate for Motor Vehicle Driver** (form F3712). This form must be given to the Department of Transport and Main Roads promptly if you are applying for the grant or renewal of a driver licence. If you currently hold a driver licence this form must be given to the Department of Transport and Main Roads promptly if the assessment recommends:

- a change to the class or conditions stated on the driver licence
- the addition of an M condition
- the removal of an M condition.

The Department of Transport and Main Roads may contact your treating doctor as soon as the Department of Transport and Main Roads receives this form.

Steps to getting a completed medical certificate

- Make an appointment with your treating doctor to discuss how your medical condition/s and/or medication may affect your ability to drive safely. When making an appointment, you should tell your treating doctor why you are making the appointment because this kind of medical assessment may take longer than a standard consultation.
- Tell your treating doctor if you are, or intend to be, a commercial vehicle driver. You must complete the Health Questionnaire on page 1 of the **Private and Commercial Vehicle Driver's Health Assessment** (form F3195) and give the form to your treating doctor before your medical assessment. Your treating doctor should complete page 2 and retain this completed form for their record purposes.
- Complete Part 1 of the **Medical Certificate for Motor Vehicle Driver** (form F3712) and take it with you to the appointment with your treating doctor.
- If the medical assessment has been requested for a particular reason, you should let your treating doctor know this reason.
- If you need to wear glasses or contact lenses when driving, please take them to the assessment.

- Your treating doctor may refer you to a specialist if unable to form an opinion on a particular medical condition. If your treating doctor has referred you to an optometrist or ophthalmologist, Part 3 of the **Medical Certificate for Motor Vehicle Driver** (form F3712) should be completed by your treating optometrist or ophthalmologist.
- Any report obtained from your specialist, physiotherapist, occupational therapist, optometrist or ophthalmologist must be given to your treating doctor before they complete Part 2 of the **Medical Certificate for Motor Vehicle Driver** (form F3712).
- Your treating doctor should indicate on the form whether or not, in their professional opinion, you meet the medical standards for a conditional or unconditional driver licence.
- The Department of Transport and Main Roads will consider the opinion of your treating doctor and then decide whether or not you are eligible for the grant, renewal or the upgrade of a class of licence.

If the decision is to grant a conditional licence, downgrade your class of licence or cancel your licence on the basis of this medical assessment, you may ask for a reconsideration of this decision. You may also appeal to the Queensland Civil and Administrative Tribunal (QCAT) against this decision.

You may reapply for the grant of a licence or an upgrade of your class of licence, when you meet the medical standard for that licence or class of licence.

Please note:

- **Parts 1 and 2 must be completed in full or this form will not be accepted by the Department of Transport and Main Roads.**
- **The applicant for, or the holder of, a Queensland driver licence is responsible for payment of the medical assessment and any associated costs.**
- The Department of Transport and Main Roads has a legal responsibility to ensure that the applicant for, or the holder of, a Queensland driver licence does not have a mental or physical incapacity (a **medical condition**) that is likely to adversely affect their ability to drive safely.
- The Department of Transport and Main Roads is authorised by law to require the applicant or holder to give medical evidence whether or not they meet the medical criteria for a conditional or unconditional driver licence for the class of licence being applied for, renewed or currently held.
- The holder of a Queensland driver licence is also required by law to tell the Department of Transport and Main Roads if, after the grant or renewal of their driver licence, they become aware that—
 - they have a permanent or long term medical condition that is likely to adversely affect their ability to drive safely
 - there is a permanent or long term increase in, or other aggravation of, a medical condition about which they have already told the Department of Transport and Main Roads.

Contact information

For more information about medical conditions, medications or for further copies of this form and the **Private and Commercial Vehicle Driver's Health Assessment** (form F3195), contact your nearest Department of Transport and Main Roads Customer Service Centre (or driver licence issuing centre), visit the website at www.tmr.qld.gov.au or call 13 23 80.

Indemnity—The *Transport Operations (Road Use Management) Act*, s 142 provides indemnity against liability, both civilly or under an administrative process, for health professionals who give information in good faith to the Department of Transport and Main Roads about a person's medical fitness to hold, or to continue to hold, a Queensland driver licence.
