* All MDA courses must be taken in the sequence stated in the curriculum.
Students must maintain a "C" or higher in all courses in order to graduate from the program.
Drug screening, immunizations and criminal background checks are required for externships.

¹ Proficiency exam is available for BUS 115 for students entering the program with a sound background in keyboarding. See your advisor or the chairperson of the Business Department for information.

² NAD 101 must be completed by the end of the first semester or prior to application into the Medical Assistant program.
Registration with the Illinois Department of Health-Health Care Worker Registry is required for background check purposes only.

³ BIO 205 & BIO 206 may be substituted for BIO 105.

⁴ Prerequisite: Math placement score above the College's developmental level of MAT 051 or MAT 104 with a grade of "C" or higher.

This is a Gainful Employment Certificate Program of 16 credit hours or more that prepares the student for gainful employment in a recognized occupation. Effective Date: Spring 2017

Career Opportunities: This certificate program is a concentrated program of study in medical assisting designed to train individuals to become multi-skilled professionals in an ambulatory healthcare setting. Medical assistants are allied health professionals who function as a member of a health care delivery team and perform routine, yet essential, administrative and clinical procedures.

Graduates are eligible to sit for the following certification exams:

- Registered Medical Assistant (RMA)
- National Certified Medical Assistant (NCMA)
