

NURSING STUDENT CHRONOLOGICAL RESUME EXAMPLE

W/ PEDIATRIC FOCUS

Below are several sections that you might want to consider for a chronological, nursing student resume targeted for a Pediatric BSN Residency Program. This same information can be used for any "targeted" resume. A chronological resume format is used when the job seeker is seeking or applying for career opportunities in a current area or profession for which they are currently completing a degree or are working.

Insert Name (and credentials once you pass NCLEX and/or graduate)

Insert Street Address • Insert City, STATE, Zip Code • Insert Area Code and Phone # • email@uky.edu
