Who should take this First-aid & CPR course

Companies, general office, corporate worksites, construction, teachers (clear credentials), parents, babysitters (over 10 years old), personal trainers, maritime personnel, social workers, summer camp counselors, coaches, foster care.

About Us

Safety Training Seminars is an official American Heart Association CPR Training Center and the license number is AHA CA-20784. STS has been providing high quality CPR and First-aid classes in the San Francisco Bay Area since 1989 and is a member of the Chamber of Commerce and the Better Business Bureau (A+ rating).

Classroom set up

We are very flexible with teaching classes at a company's location, since we have trained students on rocking boats, small dental offices, & summer camps. All we need is a TV, DVD player, and a remote for the DVD player. If you do not have one, you can rent one from us for \$40. There should be chairs arranged around the TV so everyone can see the screen and room to practice on the manikins. It is nice to have tables for the students, but it is not mandatory.

Half Price Discount

The regular price for this class is \$140 per person, but the discounted price is \$70 per person with a 14 person minimum. There is a one time charge of \$50 for us to teach the class at your site anywhere in the Bay Area or Sacramento. So basically the price for 14 or less students is \$980 plus \$50 travel fee. Total \$1030. If you have more than 14 students, it is an extra \$70 per person.

Payment

I know most CPR training companies ask for payment upfront, but not us. After the training, we will mail you an invoice along with a roster of all the students who took the class.

Booking

Please fill out the booking form on our website: www.safetytrainingseminars.com and click on Discount Group Classes. You can also call me if you have any questions. My direct line is 415-218-1330.

Certification Card

I hope to set up training for your staff soon.
