

# Summer Training 2013 Proposal by VMDD Technologies

**Dear Madam / Sir,**

VMDD Technologies is an ISO 9001:2008 Industry. We are authorized vendors of Software and Hardware for Government of India, DRDO Labs, Industries & Educational Institutions. VMDD Technologies has accomplished a great success in satisfying our customers on Hardware and Software Requirements by providing better Products, Solutions & Trainings. To serve you and your society in a better way, we are organizing Summer Training 2013 on Computer Technologies. These trainings are promising for better education, learning & career of students and faculties. The program is as follows:

**Program: Summer Training 2013 on Latest Technologies.**

**Venue:** Hackveda, H-3/60, Third Floor, Sector-18, Rohini, New Delhi

**Duration of the Program:** 6 Weeks.

**Class Days:** Monday – Friday

**Class Duration:** 2 Hours

**Fees:** Rs 12,500/- Per Student

## **Program Topics are as Follows:**

- 1.) Android Applications Development, Forensics & Security
- 2.) Cloud Computing Applications Development & Security
- 3.) Information Security & Ethical Hacking
- 4.) Next Generation Computing { Facial, Gesture& Speech Recognition }
- 5.) Windows 8 Applications Development.
- 6.) Advanced Networking: Cisco Certified Network Associate ( CCNA )
- 7.) Advanced Linux Programming
- 8.) Advanced Dot Net Programming
- 9.) Advanced Java Programming
- 10.) Operating Systems Development.

- Please Note: All above programs are 100% Practical Oriented with Implementation of each concept.

## **Authorization Certifications & Important Credentials of VMDD Technologies:**

- ISO-9001-2008 (ANAB, USA): Certificate No: C27497 Dated: 07/07/2011
- IIT, Delhi Certificate No: IITD/V0700 Dated: 09/02/12
- DRDO Registration Certificate No: LASTEC/REGN/EC-54/09-10 Dated: 17/11/2009
- Intel Registered Software Partner
- Microsoft Certified Partner, Microsoft Partner Network Organization ID number is 3789249
- CISCO Certified Training Partner

## **Training Benefits:**

- A.) Efficient Training Kits. Specialized for Improved Learning for Students.
- B.) Additional Custom Training Kits for Each Student. According to Use & Choice.
- C.) 1 Year Online Access for Learning Portal for Training, Preparation, Resources & Job Focused Learning
- D.) 1 Year Free Membership for Queries & Labs for all Students: Offline + Online Access
- E.) Hackveda Certifications for Specified Technologies
- F.) Experience Letters for working on Live Projects of VMDD Technologies in association with DRDO.
- G.) Free Access to Multiple Interview, Management and Business Skills Development programs
- H.) Free Access to a 2 Day Workshop at Hackveda Labs, VMDD Technologies
- I.) 100% Satisfactory Results of Learning and Implementation Assurance.

## **Course Catalogs and More Information is available at:**

**Website:** <http://www.hackveda.in>, **Contact:** +91-9654825370, +91-9891799066,

**Email-ID:** [vmdd.hackveda@gmail.com](mailto:vmdd.hackveda@gmail.com)

## **Speaker Profile:**

Mr. Devanshu Shukla is currently working as a project manager in VMDD Technologies. He is heading a Team of Software Developers who are working on Information Security, Android Application forensics & Cloud Application Development and providing cloud services to Industries and Organizations. Devanshu Shukla has completed his B.Tech in Computer Science and Engineering from Faculty of Engineering and Technology, Agra College, affiliated from UP Technical University.

## **Certifications:**

- Certified Information System Security Expert, Defcon
- Android Certified Developer.
- Hurricane Electric Certified IPv6 Sage.
- Rackspace Certified Cloud Developer.
- Certified Security Expert, Centre for Internet Security, USA
- Android Application Developer, IBM Developer Works, IBM India.

- Certified Member, IEEE, Advanced Technology for Humanity
- Certified Member, Software & Systems Engineering Standards Committee
- Certified Member, Test Technology Technical Council, Test Design, Software
- Certified Member, Committee for Business Informatics and Systems
- Certified Member, Technical Committee for Security and Privacy
- Certified Member, IEEE Computer Society
- Certified Member, Computer Architecture Technical Committee

### **Projects Undertaken:**

- Voice over Internet Protocol Security.
- Next Generation Computing, Sixth Sense Applications.
- Intel Processors Software Security for Intel Inc.
- Android Platform based Intel Board Software Security, Intel Inc.
- Microsoft Windows Azure Security Implementations at VMDD Technologies (Microsoft Certified Partner)
- Android Application and EPUB Development, IBM Freelance Developer.
- SWAP, Software Wireless Access Point, Microsoft
- Multi-OS, Custom Operating System Development for Linux Mobile Platform.
- Firmware Reverse Analysis Software Tool for Analyzing Access Points.
- Provided Security Benchmarks for Linux Platform, Windows 7 & Windows 8 Platform.
- TCP-IP, Bluetooth, Wi-Fi technology based Single Board Computers Applications based on Rabbit Microcontrollers.
- Stability Measurement System.
- Mozilla Firefox Cross Site Scripting Security & Browser Security, Mozilla Browser
- Automatic Text Classification and Focused Crawling Software
- Voice Recognition and Synthesis Application for Hindi Language

- Character Recognition Application to Extract Natural Text from Physical Media using Conventional Cameras
- Data Miner: Web Based Data Mining Analysis Services Solution.
- Improved K-Means Clustering with Dual Genetic Algorithms.
- Geographic Information System, DRDO
- Airborne Radar Display Software, DRDO
- Various Projects for DRDO, Delhi under VMDD Technologies.

### **Associated Industries:**

- Microsoft, Microsoft Certified Partner
- Intel Software Partner
- IBM Freelance Developer
- Defcon Hacking Conference, National Coordinator, New Delhi, India

### **Talks & Conferences:**

- Information Security, D U, Delhi (Computer Science deptt)  
Under Prof Vasudha Bhatnagar (HOD-CS)
- Information Security, DCE, Delhi (DTU) - (IT Department)  
Under Dr OP Verma HOD-IT)
- Cloud Computing Applications Development, IGIT, Kashmere Gate, Delhi  
(I P University ) Under Prof Rishabh
- Information Security, MAIT, Delhi (IP University) Under Dr ML Sharma (HOD-IT)
- Current Trends in Signal Processing, Information Security, GTBIT, Delhi  
(IP University) Under Prof Vaneet Singh (HOD-ECE)
- Information Security, SGTBMIT, Delhi (IP University) Under Prof Supreet Kaur
- Android Forensics & Malware Security, BPIT, Delhi, (IP University)  
Under Prof Baharni (TPO)
- Information Security, DIAS, Delhi (IP University)  
Under Prof Barkha Bahl (HOD-MCA)
- Information Security Trends & Security Issues, KPEC, Agra
- Android Forensics & Malware Security, Rajiv Academy of Engineering and Technology, Agra  
(under Mr Vikas TPO)
- Cloud Computing Applications Development, AMITY, Gwalior, Vivek Parashar
- Android Forensics, JIMS, Sector-5, Rohini, New Delhi-110085  
(Under Geetanjali madam)
- Android Forensics, Galgotias University, Greater Noida (Dr. B.K.Gupta, HOD MCA)
- Information Security Trainings, IMR College of Engineering, Ghaziabad

- Android Malware Security, BPIT, Sector-17, Rohini, New Delhi
- Faculty Development Program on Cloud Computing Technology at Maharaja Agrasen Institute of Technology, New Delhi.
- No Touch Next Generation Technology for Users at Hackveda AppSec Labs
- Sixth Sense Application Development FDP at MSIT, New Delhi
- Gitarattan International Business School, New Delhi, Prof. Nitin Jain ( MCA Dept ).
- Rukmani Devi Institute for Advanced Studies, Delhi, (MCA, Department)
- Next Generation Applications Development & Cloud Technology, Galgotias College of Engineering and Technology, Greater Noida, Uttar Pradesh
- Vivekananda Institute of Professional Studies, Delhi
- A lot of other programs have been conducted by Mr. Devanshu Shukla.
