

PERSONAL PROJECT GOAL STATEMENT

SUBMITTING YOUR REVISED STATEMENT FOR REVIEW BY YOUR SUPERVISOR

WHAT GOES INTO A STRONG GOAL STATEMENT?

- A clear statement of your goal
- Details about why you are interested in pursuing this goal
- Your thoughts about why this goal is important (connect this with one global context from page 3 of the golden rod pamphlet)
- Your reflections about what you already know about this topic, and what you need to learn to reach your goal

Your revised/final goal statement should be uploaded by Sept 30!

HOW TO UPLOAD YOUR GOAL STATEMENT TO NAVIANCE

- Find the Palmer web page and select the student quick links tab
- Click on Naviance
- Log into Naviance
- User Name: Network login
- Password: Student ID

The screenshot shows the Palmer High School website. The header includes the school's name and logo. A navigation bar at the top contains links like 'About Us', 'Academics', 'Activities', 'For Students', 'Parent Resources', and 'Get Involved'. A left sidebar lists various school resources. The main content area is titled 'Students' and includes a 'Welcome Palmer Students!' message. Below this, there are three main sections: 'Check Scholar Email' with a Microsoft Office icon and login instructions, 'Naviance' with a login form, and 'Student Connect' with a login form. A green arrow points from the 'Click on Naviance' step in the list to the Naviance login section. The Naviance login form has fields for 'username: network username' and 'password: student ID number', with a 'Logon' button. A yellow box highlights the password field with the text: 'Your user name in all caps, without the last number.'
