Dear Honorable Mayor & City Commission:

This is to advise you that effective April 8, 2014, 9:00 p.m., I resign my position as City Manager. At this time, I would like to convey my thanks to you and staff for allowing me to work and interact in an environment that was conducive to my learning and growing as a professional. I would specially like to thank you for the opportunity to participate and contribute towards vital projects for the community of San Juan. In my tenure, we were able to address several significant projects in the community which have or will result in great benefit to our citizens.

Your guidance and advice while fulfilling my job has been most invaluable during the last four years. I hope that in future endeavors, I am presented with similar opportunities and the same level of commitment to each other and the public, as I have experienced at the City of San Juan.

Once again thank you, and should you find it necessary to contact me, please do so at your convenience. I remain,

Very truly yours,

Juan Jose Rodriguez
