

Release # _____

Holland Construction, Inc.
PROJECT SITE VISITOR'S RELEASE for

17W

(A Release from Legal Responsibility for Possible Injuries
From Participation in an Inherently Dangerous Activity)

This release is executed this ____ day of _____, 20____, by the undersigned, hereinafter referred to as "Releaser," as a condition to obtaining the consent of Holland Construction Inc. to a visit requested by Releaser to the Holland Project Site.

Holland Construction, Inc. ("Holland") is constructing, as general contractor or construction manager, the project designated below as **17W** which comprises the Project Site. In connection with the construction, Holland is maintaining and operating construction equipment and machinery on the Project Site, and work is being performed on the Project Site both by Holland and by various other contractors, and suppliers.

Releaser has requested that Holland permit Releaser to visit the Project Site. Holland has advised Releaser that a visit to the Project Site is inherently dangerous; especially for persons neither trained nor experienced in construction activities, and has advised against such requested visit. Notwithstanding that advice, Releaser still wishes to visit the Project Site, and for that, reason is willing to assume full legal and financial responsibility for all risk associated with such a visit, including possible injury or death to Releaser.

In consideration of Holland granting the requested consent, the Releaser hereby releases, waives and discharges Holland, its shareholders, officers, directors, employees, Owner, contractors and suppliers and other agents (collectively referred to as "Releases") from any injury or damages, or death of the Releaser, or claim for damages by his or her spouse, legal representatives, heirs and assigns, for any and all loss or damage of any nature, including injury or death, among others, arising out of, or in any way connected with Releaser's visit to the Project Site, except for loss or damage caused by the willful or intentional acts of Holland Construction, Inc., its officers, employees, or other agents.

In further consideration, Releaser agrees, to the maximum extent permitted by law, to defend, indemnify and hold Releases harmless against all liability arising out of, or in any way connected with Releaser's negligence or intentional acts during such site visit.

Should any portion of this release be adjudged legally unenforceable, the remaining portions shall nevertheless continue in full force and effect.

IN WITNESS WHEREOF, the undersigned Releaser has executed this instrument, for the purpose
Stated, at _____, _____.
(city) (state)

The Project Site is identified as _____.
