

"If we did all the things we were capable of doing, we would literally astound ourselves."

- Thomas Edison

Your role as front line managers and supervisors is a critical part of the success and continued development of our organisation. Therefore I would like to personally invite you to join me at the next **Front Line Forum** on 17th September at Northampton Rugby Football Club (The Saints).

Having started the Star Chamber process, a series of discussions to decide where the budget will be allocated, with Councillors for 2013 and beyond, come and find out about the financial challenges and potential solutions for NCC moving forwards.

I will be there to welcome you and talk about our achievements so far, think about how we retain our levels of motivation and commitment in what continues to be a challenging environment, look at our revised leadership and management competencies and the PADP for 2013-14.

To book your place on either the morning or afternoon session please go to:
www.northamptonshire.gov.uk/en/councilservices/jobs/training/pages/frontlineforum.aspx

I look forward to seeing you there.

Kind Regards

Paul Blantern
