To Whom It May Concern:

I am delighted to provide a glowing recommendation for **Jane Smith**, who completed a rigorous internship at Acme Corp under my supervision. During her tenure from **May 2024 to August 2024**, Jane demonstrated a level of professionalism and competence that stood out markedly from her peers.

In her role as **Marketing Assistant**, Jane was instrumental in the development and execution of our major marketing campaign, "Summer Sizzle." Her attention to detail, creative insights, and analytical approach were crucial in increasing our campaign's reach by 40% over the previous quarter. She tackled complex challenges such as market analysis and campaign performance tracking with a mature finesse that belied her years.

Jane's exceptional analytical skills were matched by her eagerness to learn and contribute. Her proactive approach to seeking out additional responsibilities and

learning opportunities enabled her to make significant contributions beyond the typical scope of her internship.

Moreover, Jane's interpersonal skills and positive attitude made her a favorite among her teammates and clients alike. She communicates her ideas clearly and persuasively, making her an effective team player and a natural leader.

I am confident that Jane's drive and commitment to her professional and academic pursuits will make her an excellent candidate for your program. She has my highest recommendation.

For further details regarding Jane's performance or specific examples of her work, please feel free to contact me at **+1 555-1234** or via email at **john.doe@acmecorp.com**.
