Dear (Coach's Name):

Now that the season has concluded, we'd like to meet with you to thank you for all you have done for (student's name) and to discuss some of her/his future plans. Although (student's name) had a great season and really enjoyed playing for you, we feel fairly confident that he/she probably won't receive a scholarship to continue the sport in college. We know how competitive they can be.

Our student has, however, explored the whole college issue and has developed a list of schools that meet his/her academic and career interests. Maybe she/he can continue playing for one of the schools, or for another that might provide the same opportunities. Because of your years of experience dealing with these issues, we would like to meet to discuss what, if anything, can be done to help (student's name) continue with the sport next year. He/she has even considered walking on.

We realize that you are busy and promise not to take too much of your time. Please check your calendar and give us a call regarding the particulars of a meeting. We would like to bring (student's name) with us, if that meets with your approval.

In advance, thanks for your help, and we look forward to seeing you in the near future.

Sincerely,

(Parents' Name)
