

# Thank You Letter to Friend

---

**Dear Emily,**

I hope this letter finds you well. I've been reflecting on how fortunate I am to have you in my life, and I felt it was the perfect time to express my gratitude.

Thank you for always being there for me, not just when things are easy, but especially during the difficult times last month when I was dealing with the job stress. Your support and understanding mean the world to me. Whether it's sharing a laugh over our favorite coffee at the little café downtown or being a comforting presence on those tough nights, you've shown what true friendship is all about.

I greatly appreciate all the times you've gone out of your way to check in on me, and your thoughtful gestures, like sending me that care package, never go unnoticed. It's friends like you who make the everyday brighter and the burdens lighter.

Please let me know when we can get together next; I miss our chats and would love to catch up. Until then, take care and know that you are greatly appreciated.

Warm regards,

**Anna**
