# Thank-You Note to Parents from Son

**Dear Mom and Dad,**

I wanted to take a moment to express my gratitude for all that you've done for me. It's not every day I say it, but I am truly thankful for your endless support and love.

Thank you for guiding me through life's challenges and celebrating my victories, big and small. Your wisdom and strength have been a constant source of inspiration and have shaped me into the person I am today.

From teaching me how to throw a baseball to giving advice on life's tough decisions, you've been my greatest mentors. I cherish every lesson and every moment we've shared together.

Thank you for your sacrifices and for always putting my needs before your own. Your dedication to our family does not go unnoticed, and I aspire to mirror your compassion and resilience in my own life.

I am proud to be your son and feel so blessed to have you as my parents. I look forward to more adventures together and creating more cherished memories.

With all my love and gratitude,
