IMPORTANT DATES

Last Day of Term 2 **Fri 01st July.**

Students return to school **Tues 19th July.**

Friday 1st July 2016

Issue 11 – 2016

It has been a very busy and rewarding semester with many highlights. Well done to everyone!

It was great to see so many parents attend the Parent/Teacher interviews on Wednesday. The teaching staff find these invaluable as many aspects of the student's progress can be discussed. If you were unable to attend the meeting, you can phone the school or see the class teacher to make an appointment early next term.

This is also an excellent opportunity for you to acknowledge and praise your child's achievements. Your child may also benefit from having some set homework routines.

The reports which were not collected at the Parent and Teacher interviews have been sent home with the students today. All other reports can be collected next term.

Thank you to the teachers who have put in a lot of time and effort into the reporting process.

The P & C have organised a Sausage Sizzle at the school on Saturday, Election Day. Please support the P & C to raise funds for the school.

Have a safe and wonderful holiday.

SPORTS NEWS

All students have been attending Little Athletics Clinics during Physical Education lessons over the past 2 weeks. They have been developing the skills of sprinting, long jump and long distance ball throw. This is in preparation for our Athletics carnival which will be held on Tuesday 30 August and Thursday 1 September. Please make sure you save the dates in your diary. More details regarding the Athletics Carnival will be sent out early next term.

KINDY CLASS REPORT

G'day Everyone! Life on the Kindy Farm has been fantastic fun! We have crops growing beautifully in the Vegie Patch and we have tasted our first Sugar Snap Peas. Mmmm delicious! In the last few weeks we have milked a rubber glove cow, shorn a balloon lamb and even learnt the song *Old MacDonald's Farm* using sign language. The children have loved learning about the animals and have worked very hard at all the activities associated with this unit of learning. The children's portfolios go home on the last day of term and the progression we can already see has been wonderful. Next term, Ms Ballam is having surgery on her knee so Ms Mathwin will be working fulltime in the Kindy and Ms Pike will join us on Wednesdays. Happy Holidays to everyone!

PRE PRIMARY REPORT

A Caterpillar, of the *Very Hungry* variety paid us a visit last week in Pre Primary.

The Very Hungry Caterpillar story book by Eric Carle is a lovely story for *retell*, *sequencing*, *learning the days of the week* and *learning about the life cycle of a butterfly*. Some of our

wonderful work is displayed around the room. We also had the pleasure of welcoming

some of the older students into the classroom late last week to read and play games with us, we all had a lot of fun.

YEAR 1 CLASS REPORT

The Year 1's have been very busy studying Dinosaurs in Science. In Reading, the children have been recognising both fiction and non-fiction dinosaur resources. In Art, the children have made Dinosaurs and painted them ever so brightly....certainly not camouflaged. These are pinned up in the back of the room. In Science, the children have bitten and chewed apples and identified which teeth are used for biting, which teeth are used for chewing and which teeth are used for gripping. The children coloured, on a teeth chart, which ones they used for each activity. The children were then required to identify a variety of skulls with teeth in them and selected which animals mostly grazed, which animals were predators and which were a bit of both.

Happy holidays and best wishes to Casey who is going to live in Ireland.

YEAR 2 CLASS REPORT

It was lovely to see so many parents at the interviews. Thank you so much for making the time to talk to us. I know that many parents keep up to date on a regular basis, so the extra time was really appreciated! In Writing, we have been doing some lovely reports and many children are getting better at editing. Well done! In Grammar we have been learning about verbs, regular and irregular past tense. That has been a lot of fun! Please make sure that your child can confidently skip count by 2s, 5s and 10s to 100 and back and also 3s. If they are confident to 100, take them to 200, but starting in the 80s! They should also practise counting by 10s from any number eg 72, 82, 92, 102, etc.

Wishing you all a restful and safe holiday!

YEAR 3 CLASS REPORT

We have been working hard in Year 3 this fortnight! In Maths we have started multiplication as well as measuring to the nearest centimetre and millimetre. We have continued to work on our *Superheroes* and have now given ourselves not only a superhero identity but also superpowers, a costume, a hide-out, a mode of transport and a side kick!

YEAR 4 CLASS REPORT

The Year 4's have had another very busy term. In Maths we have been looking at *Time*, reading the clock to the nearest 1 minute and 5 minutes as well as being able to calculate elapsed time in word problems. We should be able to identify and label am and pm times during the day as well as read a calendar to given days before and after a specific date. We have been tested again on our 4 times tables and their related division facts, but keep revising and practising these at home as this will be ongoing during the year. Each of us will be bringing our seed home for the holidays. Most of the roots have started to germinate and the shoots should follow shortly. Have a safe and happy holiday.

YEAR 5/6 CLASS REPORT

On Tuesday 28th of June we went to Ern Halliday Camp in Hillarys for our day camp. We had four activities: Flying Fox, Crate Climb, Big Swing and Archery. We got separated into two groups so everybody got a chance on every activity. Before recess, Group One went onto the Flying Fox and Group Two went to the Big Swing and Crate Climb. After recess we swapped

activities. As soon as we finished lunch, we all went to do Archery altogether and shot some arrows at targets. Camp was one of the best days of this semester! Last Friday the year 4's 5's and 6's went to Delawney Reserve to compete in the cross country competition against Takari, Balcatta, West Balcatta, Lake Monger and East Hamersley Primary Schools. The competition was so close but we got 2nd place! Well done to everyone that went and gave their best.

In Maths we have been doing coordinates. We have made treasure maps and had other people find the hidden treasure. In Writing, we have been writing reports on animals and recounts about Camp. We have finished our historical interviews on our suffragettes that helped women get equal rights. We are now finishing our books on animal adaptations in Science. Some people have presented their speeches but we still have lots of people to present early next term.

By Prachi (Yr. 5) and Amber (Yr. 5)

On Friday 24th June, students in Years 4-6 competed in an interschool cross country event hosted by Takari Primary School. Our athletes competed against runners from Balcatta, Lake Monger, West Balcatta, East Hamersley and Takari. Everyone who competed gave one hundred per cent. The students' behaviour and support of each other was excellent. The cheering our students was certainly world class. A special well done to Sung (Yr 4) who came second and Taeshaun (Yr 5) who came first. All who attended contributed to Osborne coming second overall. Well done to everyone...you are all champions!

Ready Steady Go Kids - Term 3 enrolments!
Enrolments are open for Term 3 with Ready Steady Go Kids, Australia's largest and most reputable multi-sport and exercise program for preschoolers (aged 2.5-6 years). With eight locations in Perth's northern suburbs, our high quality, physio-designed program teaches children the fundamentals of 10 different sports in a fun, non-competitive, team-based environment. Ready Steady Go Kids seeks to develop a lifelong passion for physical activity and sport, decrease childhood obesity, increase confidence and prepare children for participation in school and the broader community. We'd love to offer a free trial for your 2.5-6 year old child.
