MESSAGES FROM THE DEPUTY DEAN

Dear Recruiter,

At the Indian School of Business (ISB) we are driven by the vision of creating an impact on business and society by grooming our students to be responsible leaders of tomorrow.

Today, ISB grads have made a mark for themselves in whatever area they chose to pursue their careers- private, public and the nonprofit sectors. Our 7500+ alumni are working in leading companies in over 100 countries across the world with several of them in CXO level roles. They have proved their ability to innovate, lead teams across countries and cultures, work in a dynamic business scenario and contributing to the success of their respective organisations. I am proud to share that their performance has been greatly appreciated.

Last year many of you were on the campus in strength making a record number of offers to the students passing out of the Indian School of Business (ISB). The Class of 2016 created a record of sorts receiving the higher number of job offers from

you, including some government departments. You accepted several of them in leadership roles in India and abroad. Our women students continue to perform extremely well in the industry well in the industry of their choice and in leadership roles. Thank you for your interest in hiring our students year after year.

On our part, we continue to offer management education that is comparable to the best B Schools globally. Our resident faculty and international faculty bring cutting edge curriculum and learning into the classroom. What this means is that our students are exposed to best business practices that are current and global. Additionally, our students learn how to manage people and situations from business leaders like you, through the year and these go a long way in enabling them to put theory to practice and seamlessly assume the mantle of leadership in the future.

Look forward to an engaging association as always.

Best regards,

Professor Dishan Kamdar

Deputy Dean, Academic Programmes
& Professor of Organisational Behaviour,

LEADERS IN THE MAKING

Companies hiring ISB students for their prestigious leadership programmes has become a norm over the last few years and the trend continues this year too. As in the previous year, companies across sectors and geographies continued to bring their prestigious Leadership Programmes to ISB. These roles are aimed at building the leadership pipeline for the participating companies. Leadership programmes constituted around 6% of the total number of offers made this year, and came from companies such as Aditya Birla Group, Axis Bank, Bharti Airtel, HCL, HUL and Philips among others.

WOMEN TO THE FORE

Women students at ISB, who comprise 30% of the class, fared exceptionally well both in terms of offers received as well as roles. Reflecting a trend of recruiting women for strategic roles, several leading companies offered key roles such as Country Head, Country Manager, DGM, EA to CEO and General Manager among others.

Axis Bank's 'Women Leadership Programme' returns to ISB: With an initiative that it exclusively introduced at ISB, Axis bank continued to hire women students in significant numbers from ISB for the third year running.

PROFILE OF CLASS OF 2017

The one year Post Graduate Programme (PGP) at ISB attracts the finest talent from various industries with experience across many functions. The Class of 2017 comprises a pool of students from varied backgrounds such as Consulting, Finance, Marketing, Technology, Medicine and Defence among others. Many students also come with the experience of working across geographies. While their backgrounds may be different, they share the same enthusiasm for taking up challenges and gaining new perspectives. This creates an environment conducive to healthy exchange of ideas and a rich classroom experience.

MORE TALENT WITH TWO CAMPUSES

Retaining the philosophy of 'one school - two campuses', ISB's admission policy, academic calendar, mix of resident and visiting faculty (from our partner schools) and placement policy have continued to remain common for both the campuses. As for admissions, students are drawn from a common merit list and assigned to either of the campuses randomly in the ratio of class capacities.

There is also an exchange programme between both the campuses to promote interaction between the students. The placement portal is common and recruiters have access to the combined pool of talent.
