HOW TO ORDER

Choose how many pieces per person you wish to cater for use the guide below to determine a suitable amount for your function.

8 pieces – recommended for a light lunch

10 pieces – recommended for a lunch or light dinner

12 pieces – recommended for a lunch or dinner

13 pieces – recommended for functions over a longer period of time or for larger eaters.

The price list above will determine the quote for the price per person.

Staff, Oven and delivery charges apply. Please allow for One Chef and One catering attendant to every 35 guests. Please refer to our staff rates. These rates will cover a 2 ½ hour service and 1 hour preparation time.

Some finger food items may not be suitable for hot delivery.
