

Approval Letter with respect to the Application for Net Metering and Grid Connectivity of Grid Connected renewable energy System

No./

Date:

To:

M/S / Mr. / Ms. _____

Ref: Your application No. _____ dated _____
Our registration number _____ dated _____ and your consumer
IVRS number _____.

With reference to your above mentioned application, approval is herewith accorded for installing renewable energy system (_____Mention Type of RE System) of _____ kW in your premises as per the following terms and conditions:

1. You are advised to select an empanelled system installer of your choice to install the renewable energy system. The installer should have prior experience in design, supply and installation of renewable energy system. For this purpose, empanelled installers of grid-connected PV systems approved by and listed on the website of MNRE (Ministry of New and Renewable Energy, Government of India) / Madhya Pradesh Urja Vikas Nigam Limited (MPUVN) may be referred to.
2. You must select an inverter only from MNRE or MPUVN approved and empanelled manufacturers list. The vendors list of inverter manufacturers may be referred from MNRE / MPUVN website. You must submit the copy of Test Certificates for having complied with relevant IEC standards of the selected model along with work completion report (format of work completion report is provided on the website of Company).
3. The RE Beneficiary (applicant) may apply to Nodal Agency (MP Urja Vikas Nigam, Bhopal) for the processing of subsidy if any in the formats prescribed on the website of MNRE & Nodal Agency.
4. All components of renewable energy system must comply with applicable IS/IEC standards. A list of standards and specifications to be complied with are enclosed with this approval letter (Annexure IX, X, XI).
5. In case of any changes required at your premises due to this proposed installation, these shall be performed by you at your own cost.
6. The grid connectivity of the system shall be in accordance with the MPERC 'Net Metering Regulations 2015' dated 14.10.2015 and any amendments thereof from time to time and shall confirm to requirements of Government of Madhya Pradesh's Policy for Net - Metered Renewable Energy Applications, 2016 being issued shortly.

7. A Net Meter shall be installed at the consumer meter location point and a RE meter shall also be installed in your premises.
8. Net meter may be purchased from Discom on its availability and may also be purchased directly from DISCOM / MPUVN approved vendors (as per standards of MPERC/CEA and subsequent amendments thereof). Existing consumer meter shall be replaced by the Net Meter in case of existing consumers and in case of new consumers, Net Meter shall be fixed at the consumer meter point, after getting successfully tested in Discom's or their authorized laboratory at your cost.
9. RE meter shall be purchased from DISCOM / MPUVN approved vendors (as per standards of MPERC/CEA and subsequent amendments thereof) and shall be fixed at the point indicated in enclosed schematic line diagram (Annexure VII) after getting successfully tested from Discom's or their authorized laboratory at your cost.
10. All the safety measures and standards of the installed system must comply with requirements as stated in MPERC/CEA Regulations and all standards referred to in those regulations.
11. You shall be required to submit, following documents after installation of Renewable energy system:
 - i. Work Completion report in prescribed format (enclosed as Annexure VI)
 - ii. Test Certificate of Net meter/ RE Meter from Discom laboratory
 - iii. Inspection Report by Electrical Inspector, Government of Madhya Pradesh (as notified by the State Govt.), in case, capacity of RE system is more than 10kW.
 - iv. Copy of signed Net Metering Interconnection Agreement (In format enclosed as Annexure V) on Rs. 500/- non-judicial stamp paper plus Rs 1 revenue stamp affixed thereto with Discom
12. This approval is valid for 180 days from the date of this letter and the renewable energy system must be commissioned within this period, failing to which approval may be cancelled and you may be required to apply afresh.

Enclosure: As above

SE (O&M)/ City
MPPKVCL, ____

Note for sanctioning authority/ not to be conveyed: - In case of cost involvement due to system augmentation, a separate paragraph may please be added suitably for payment by the applicant.
