2. Applicants are given 1 month from the date of their interview to gain a police check and to register to update or obtain a first aid certificate
3. BabySitterClub reserves the right to de-register or refrain from registering applicants who:
 - Do not meet their selection criteria;
 - Do not turn up for interview times as arranged with either BabySitterClub or a parent;
 - Do not conduct themselves in a responsible and mature manner when undertaking babysitting sessions referred by BabySitterClub ;
 - Do not update BabySitterClub on their current address and contact details.
 - Provides personal telephone numbers or contact details to clients in order to undertake babysitting sessions not booked through BabySitterClub
4. Once registered with BabySitterClub, babysitters are provided with a BabySitterClub-Card and must agree to wear this to all babysitting sessions.
5. All registered babysitters must agree to allow BabySitterClub to list a brief profile about them on our website or supply some of the information to the parents. These profiles contain basic details about a babysitter's age, experience and qualifications. This allows potential parents to browse the babysitters available and make an informed choice. Babysitters will be consulted regarding the content of their profile.
6. BabySitterClub will never give parents or potential clients a babysitter's personal contact details.
7. Babysitters will be provided with a "Kiddy Bag", and must take one of these to each babysitting session. This kiddy Bag contains the following:
 - Emergency Numbers
 - Entertainment for kids (Toys,books,crayons,etc)
 - Time Sheet
 - BabySitterClub Card
 - Family Information/Requirement form that must be filled in by parents and be left with the babysitter
 - Written consent form
8. The babysitter will not remove a child from the residence and/or accommodation unless there is express written consent from the parent authorizing the babysitter to allow the child to participate in outdoor activities.

9. BabySitterClub does not employ babysitters – we are simply an agency who will refer babysitters to parents. We are not responsible for payment of babysitter’s wages, nor can we guarantee a set number of referrals. Babysitters are essentially self-employed.
10. BabySitterClub are not responsible for payment of a babysitter’s Taxation requirements and suggest all babysitters contact SARS for further information regarding obligations.
11. If a client cancels a booking within 24hrs of the babysitting session, the client is required to pay the babysitter a cancellation fee of R150
12. Babysitters registered with, and recommended by BabySitterClub are required to be paid at a rate of:
 - R50 p/h until 19h00
 - R45 p/h from 19h00 – 00h00
 - R60 p/h after 00h00
 - R15 extra p/h per family combined
13. On Public Holidays, babysitters registered with, and recommended by BabySitterClub are required to be paid at a rate of:
 - R60 p/h until 00h00
 - R80 p/h after midnight
 - R20 extra p/h per family combined
14. All babysitters will be paid for a minimum of R100 regardless of session length.
15. BabySitterClub understands that some babysitters registered or wanting to register with us may already have existing clients; therefore we have no issue with babysitters who continue to service these existing clients. However, we do expect that any potential new clients acquiring a registered babysitter must be directed to BabySitterClub for referral and registration.
16. BabySitterClub will provide a fair and equal opportunity to all registered babysitters by ensuring we rotate our referrals and recommendations to parents – however many parents select their babysitter based on website profiles, previous introductions or specific requirements and unfortunately BabySitterClub cannot control how parents make their decision.
17. Babysitters are required to sign this agreement and adhere to all conditions within this agreement.
