

INVITATION LETTER

2015 Water Korea Global Business Matching Program

25th – 28th, August, 2015

It is our pleasure in inviting you as a buyer to the **2015 Water Korea – Global Business Matching Program** held at Go-yang KINTEX, South Korea on 27th August 2015. WATER KOREA is the exposition features most companies of the water industry in Korea and is the platform through which many companies enter the Korean market.

Expand your business and stretch out to the Korea through Water Korea. Water Korea is preparing a variety of programs to assist the business activities of the participating companies and buyer in order to get together a fruitful result. In particular in order to support Korea companies for launching and exploring overseas market, The Global business matching will be pre-matched to facilitate consultations during the exhibition period with potential buyers from China, south-eastern Asia, Americans, and Europe etc.

You would get your best business matching partner among a lot of great Korean companies and make good results out for both. Find out what new developments are in place to help enhance your international trade with Korea and the rest of the world. Come and meet water industry experts with worldwide connections.
