15th December, 2012

Dear Sister,

Christmas is here and it's time to have some fun. As per our usual tradition, I cordially invite your family for this year's Christmas party, to be hosted at our farm house on December 23, 2012. Keeping the theme in mind, we want all of you to dress in red, and join us for the preparation of the Christmas tree.

Mom and Dad will also be here after missing the last year's event, and all of us have some catching up to do. Also, I want to see Henry and Jessica. They must be enjoying the winter vacations. Tim (writer's husband) is also looking forward to meet David (her sister's Husband) after a good nine months. We have prepared some fun activities and I am sure that your children will love Christmas with us.

I am eager to see all of us have a great time once again. I have also called Mike (Brother) and his fiancée, both of whom have already confirmed their presence. Kindly reply back as soon as possible and prepare for an amazing time on the 23rd.

Hope to see you on that day. Christmas won't be the same without you.

Yours Lovingly,

Claire Joseph
