

**FROM HOWARD U COLLEGE OF MEDICINE - 2014 PARP  
ACCEPTANCE LETTER (2)**

David

To Me

May 14 at 6:11 AM

I would like to thank you Dr. Pieczenik for your support and the recommendation letter that you sent that helped me get into Howard. Your powerful letter and belief that I will be a great doctor like your father I believe gave them hope that I will follow in your father's footsteps. No matter what anybody says, you have made a positive impact on Rutgers' students, and I will always remember the kindness you have showed me. Showering me with free books and advice that have made me think differently.

I hope all is well. Thank you again.

**Subject: FROM HOWARD U COLLEGE OF MEDICINE - 2014 PARP  
ACCEPTANCE LETTER**

On behalf of the Howard University College of Medicine Committee on Admissions, I am pleased to inform you that you have been accepted as a member of the college's class entering in July 16, 2014. Congratulations! Our faculty, administration, and student body are enthusiastic about the prospect that you will be joining the College of Medicine family.

While we are proud that you have reached another landmark in your quest to become a physician, we sincerely hope that you will choose Howard to help you reach the next milestone. We are all aware that there are many unmet health care needs affecting various segments of our society. The possibility that the teaching, training and research experience that you will receive at Howard University will help meet these needs is exciting. We look forward to providing this opportunity.

The conditions of your acceptance are outlined for you on the reverse of this letter. Applicants who confirm their intent to matriculate in the College of Medicine also confirm their acceptance of the conditions stated within this section. Please review the conditions carefully. Also, please review the enclosed document from the Office of the Dean for Special Student Services.

You may request specific information regarding financial aid from the College of Medicine's Financial Aid Office, and can receive information on books, housing and other supplies/equipment by writing or calling the Office of Student Affairs in the College of Medicine. Freshman orientation will begin July 16, 2014. You will receive materials regarding that program and specific dates later on in the academic year.

Please feel free to call the Office of Admissions between the hours of 9:00 a.m. to 5:00 p.m., Monday through Friday, at (202)806-9478 or (202)806-9479, if you have questions regarding your acceptance or conditions.

Again, my congratulations to you; we will be in touch in the near future.

Sincerely,

Walter P. Bland, M.D., Associate Dean for Student Affairs and Admissions
