Re: Transnuclear, Inc. Export License Application No. TNP-542
for the export of U Natural and U308 concentrates from USA to EU
Refer y/letter dated October 25, 1999 and o/telecon of today.

Dear Ms. Wright:

Since the European Commission Euratom Safeguards will not issue assurances for the blanket license to export Uranium in the form of Uranium Ore concentrate or U Natural, we hereby withdraw our Export License Application No. TNP-542.

Please arrange to refund the fee paid for the export license application.

Very sincerely,
Transnuclear, Inc.
