

Santa Monica High School Band Program
601 Pico Boulevard
Santa Monica, CA 90405

Dear Community Partner and Friend of Music!

On March 28th and 29th, 2012, The Santa Monica High School Band Program will host the 10th Annual SCSBOA Band & Orchestra Festival! 38 Bands and Orchestras from around Southern California will visit SAMOHI to perform before judges, family, friends and one another in a two-day celebration of music. It's one of the cultural highlights of the school year and a great opportunity to show our guests what Santa Monica and SAMOHI are all about!

As budget cuts and a tightening economy have put the squeeze on our program, we are reaching out to our community partners to help us stage this wonderful event by asking for donations of food to feed the hungry musicians.

Could you please help us with:

At SAMOHI, we have exciting band, orchestra and choir programs, enthusiastic students, an outstanding, dedicated faculty and solid parent support. It is wonderful to feel the support of the community as we strive to maintain our commitment to excellence.

Your generosity will go a long way toward making our event a huge success. Thank you in advance for helping us out and for helping to keep our music program the best in the state!

Sincerely,

Robb Brown
