

## Customer Service Quotation Coordinator (m/f)

***Together, we can build a state-of-the art customer service in Switzerland***

With annual sales of approximately \$13 billion in fiscal year 2015, Parker Hannifin is the world's leading diversified manufacturer of motion and control technologies and systems, providing precision-engineered solutions for a wide variety of mobile, industrial and aerospace markets. The company employs approximately 55,000 people in 50 countries around the world.

Parker Hannifin is looking to recruit a Customer Service Quotation Coordinator in its Sales Company Switzerland located in Etoy. The overall purpose of this role is to grow our business, to provide our customers a high level of customer service for their Requests For Quote and improve their success rate.

**Candidates to be considered will have the following background and experience:**

- Degree level or equivalent in some discipline of Sales and Business
- Substantial commercial and technical background with experience in quotation database
- Strong communication and negotiation skills with internal and external customers
- Excellent skills in time management
- Team oriented
- Able to communicate in English and French, with fluency in German is prerequisite
- Be proficient in Excel, ERP systems and must possess excellent technical and analytical skills with a taste for figures.

This is a rare, outstanding opportunity to join a market leading company. To apply please email your CV to the Human Resources Department:
