

DOCTOR'S NOTE TO RETURN TO SCHOOL

Date: _____

Dear Health Care Provider,

_____ was sent home from our school on ___/___/___ with symptoms that could potentially be contagious.

In the best interest of keeping our students and staff healthy we ask that the child does not return to school until he/she has been **symptom free for 24 hours** (without fever reducers) or with a **doctors consent**.

This child was sent home with the following symptoms:

- Fever of _____ ° taken:
 - under the tongue with Turbo★Temp Commercial Thermometer™
 - under the arm without 1° added with NexTemp™ Clinical Thermometer
 - pointed at forehead with VeraTemp+™ Professional Non-Contact Thermometer
- Red or running eyes, colored discharge from the eyes or nose.
- Cough that is persistent or productive.
- Sores or crusts on the scalp face or body, including those that are draining.
- Skin eruptions or rash.
- Sore throat.
- Swelling and tenderness of the glands, particularly about the face or neck.
- Other:
- Nausea and vomiting.
- Pain and stiffness of neck and/or headache.
- Jaundice (yellowing of eyes and/or skin)
- Persistent abdominal pain.
- Diarrhea.

Thank you,
Your Friends at Paradigm Care & Enrichment Center
