

RESUME

Suresh Kumar

1st cross, guttahalli

Bangalore

E-Mail Id: **sureshk @ gmail.com**

Phone No: 9890023161

Career Objective

Skilled enthusiastic engineering graduate seeks a challenging job in your esteemed organization, where I would like to deliver the existing skills, gaining new ones and go ahead with organizational growth.

Professional Summary

- **MCA** postgraduate having technically strong knowledge in programming skills with real time experience
- Very strong in **OOPS** Concepts, **SQL** Commands and languages **C, C++, HTML**
- Ability to learn new things quickly to implement
- Ability to design and implement high-quality software applications & components
- Excellent Problem solving and logical skills and Substantial experience in handling Multitasks
- Understanding requirements and deliver software on time

Technical Summary

Operating Systems : Windows-98, XP, 2000, DOS
Programming Languages : C, C++, Java, Servlet, Jsp
DBMS : Oracle8.0, Ms Access, My Sql
Web Technology : HTML and XML
Packages : Ms-Office

Academic Credentials

✓ **M.C.A.**, from GVK Engineering College, in 2010 (Mark: 77%)

- ✓ **B.Sc.,** from Govt Arts College, in 2007 (Mark: 68.03%)
- ✓ **H.Sc.,** from Govt. Boys. Hr.Sec.School , in 2003 (Mark: 85.75%)
- ✓ **S.S.L.C.,** from Robo High.School, in 2001(Mark: 86%)

Area of Interest

- Java programming
- Well known concepts in java
 - Servlets, JSP

Projects

Project Title : Mining Demand Chain Knowledge For New Product Development and Marketing (Academic Project)

Company : **Innovates**

Environment:

- Front End : J2EE (Jdk1.5, Servlet, JSP), HTML.
- Back End : MySQL

Team Strength : One

Description : Many enterprises devote a significant portion of their budget to new product development (NPD) and marketing to make their products distinctive from those of competitors, and better fit the needs and wants of consumers. Hence, knowledge and feedback on customer demand and consumption experience has become an important information and asset for enterprises.

Project Title: Back to My village (Project for Capegemini coding Contest)

Environment:

- Front End : J2EE (Jdk1.5, Servlet, JSP), HTML.

➤ Back End : MySQL

Team Strength: Four

Description : Back to My Village is for developing the Villages by establishing a platform to interact with their corresponding category members and motivating them. It also explicitly describes awareness about their basic requirements. By providing member's suggestions and experience, enhance the quality of their life.

Additional Qualification

NCC – To Attend More Activities(Drill,Flying).

I participated in “**Computer-cum-Internet Literacy Programme**” conducted by the Directorate of Collegiate Education, Government of Tamil Nadu.

I have participated **National Level Technical Symposium** in the event **DEBUGGING** conducted by **TOP ENGINEERING COLLEGE**

Personal Details

Gender : Male

Date of Birth : 03/011/1986

Marital Status : Single

Permanent Address : S/o Rajesh kumar, 1st corss ,guttahalli,Bangalore

Declaration:

I hereby declare that all the information mentioned above is true to the best of my knowledge.

Place : Bangalore.

Date :

(Suresh kumar)
