

## PETITION AGAINST LOCALLY SET BUSINESS RATES

**To The Secretary of State for Communities and Local Government,  
To The First Minister of Wales,**

**We the undersigned, businesses of England and Wales, urge the Government to rule out the introduction of a locally set National Non-Domestic Rate.**

**We firmly believe that returning rate-setting powers to local authorities would be detrimental to the small businesses of England and Wales. Such a move would risk increasing the level and unpredictability of business rates, thus making it more difficult for businesses to continue to act as wealth and job creators for our local communities.**
