Dear Ms. Baumbeck:

Thank you again for taking the time to meet with me and present your proposal. I certainly appreciate the amount of time and effort I know that you must have spent putting it together.

After carefully reviewing all the proposals that were presented we have decided to select a different vendor. There were some deciding factors that went into making our decision. First we took a look at the vendor's ability to perform. Second we looked carefully at the ability of the vendor to be able to meet their promised completion date. Finally, we considered the overall cost of the project.

Again, thank you for taking the time and I look forward to possibly receiving future proposals from you.

Sincerely,

Glen D. Dickerson
