Good evening everybody and merry Christmas. Thank you for coming to the Christmas party. Let's take this eve as a chance to get into Christmas spirit, to spread some joy around and sing along sweet Christmas music.

By God's grace, we all are leaving healthy, peaceful life. We don't worry about food & shelter. But there are thousands of people around our city who are not celebrating Christmas because they don't have shelter to decorate and food to eat. Forget about candy and wine. Let's pray to Jesus to bless us with sympathy for those are in need. Pray him to direct us to help those who have less. I would like request all of you to share and act on this message if possible.

Tonight, we will start the Christmas party by donating blankets to homeless people around our area. I am sure this very small act of kindness allows us to enjoy rest of evening with bigger and fuller heart. God, bless you all.
