Introduction

Sasa interiors is a wholly citizen owned company. The company's founder and Director Nomsa. N. Moyo studied for a professional qualification in Interior Design in Britain. She later worked for an Internationally recognized Connaught Kitchens as an Interior Designer. On her return to Botswana she worked for one of the biggest furniture stores in Botswana, Mukwa Interiors, where she established the Interior Design section in the company. She later joined Mosaic Design Studio, the first ever women led Architectural and Interior design company in Botswana, as the Director and Principle Interior Designer.

Mission Statement

Sasa Interiors aims to provide professional service to its clients' satisfaction by providing service excellence, honoring deadlines, and personalized design according to clients' requirements.

PROJECTS UNDERTAKEN AS A TURNKEY

STANDARD CHARTERED BANK (BOTSWANA)

Sasa Interior was responsible for the new image of Excel Banking. The brief was to create a cozy, professional atmosphere with the use of high quality material finishes. We used a combination of high polished porcelain tiles and soft flooring in the offices and waiting area. The colour schemes are natural and neutral also incorporating the corporate colours of Standard Chartered Bank.

DISCOVERY METAL LIMITED

The theme for the reception area was to highlight the core business of Discovery Metal Limited by incorporating a topography map behind the reception counter. The colour scheme is rustic burnt colour.

DISCOVERY METAL

The boardroom was high lighted with textured bright wall papers contrasted with dark mahogany table with glass insert

BOTSWANA SAVINGS BANK

The design approach was to design a modern banking in keeping with bank Requirement. We incorporated BSB's corporate colours as part of interior to Create a vibrant banking hall.

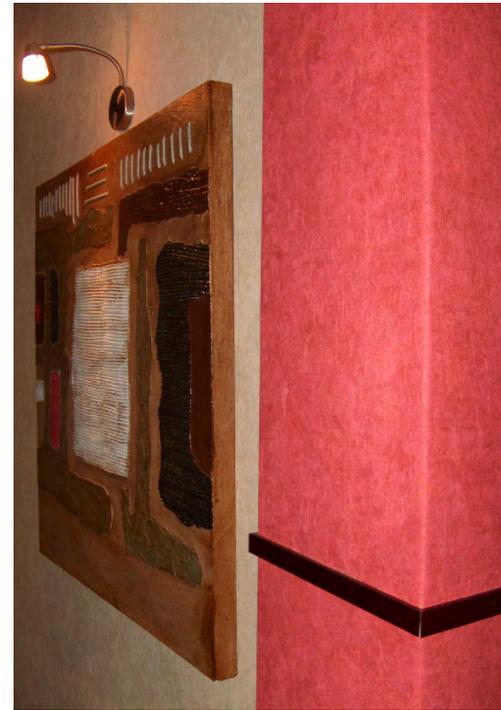

The material combinations are maple and metallic Formica

DEBSWANA – Jwaneng Mine – Communication Centre Reception Area

Warm Cherry wood finish with a combination of Perspex on the counter and Paneling behind
Which doubles up as storage space

Plasma screen used as a means of dispensing information

EOH Consulting

The office reflects a vibrant atmosphere as the members of staff. The use of bold colours. We introduced different colours in the office. The colour scheme used in the reception merges into the open plan space.

The project was a turnkey solution included

- Furniture procurement
- Art Procurement
- Colour scheme

LOBBY – GROUND FLOOR

Enquiries Counter with blue illumination. Waiting area with mirror collages on the Service duct. Cashier and registry offices with side lights and beech semi solid doors. Waiting area outside the cashiers office

BOARDROOM / BAR – 8th FLOOR

The boardroom bulkhead mimics the shape of the boardroom table and it also takes up the shape of the building as it curves. The windows on the corridor to the boardroom have been sandblasted to give a privacy to the boardroom with a small bar that spills onto the boardroom

CAFETERIA - GROUND FLOOR

Cafeteria furniture out of laminate Beech chairs and PU chairs. Walls have been finished with two types of wallpapers giving the space a contrasting ambient to the space
