VTE Inc. - Ordering Information

Minimum Order - Terminal Insulators: 1000pcs

Electro-Mechanical: Please Call

FOB & COO: Pellston, Michigan USA 49769

Export Documentation: \$6.50

Expedited Shipments: UPS, Federal Express (Please supply account number)

To avoid errors caused by illegible small fax print, verbal order transcription, interpretation of dialects and languages, VTE will be sending an order acknowledgement via FAX, to your company. You must review the acknowledgment and sign if correct.

If something is incorrect on the purchase order acknowledgement, please notify us immediately. If you prefer, you do not have to sign and return to VTE. This is your choice. In some instances order acknowledgements must be signed to begin order. This may be due to a different type of material you are requesting.

1. Normal production lead time is 5 weeks after receipt of your purchase order. Emergency orders may be subject to special set-up fees.
2. Truck shipments are sent freight collect; please supply your recommended carrier. VTE has access to many freight line companies. Unfortunately, we are in a limited area, so some of your trucking companies may not come to our area. Please check with your carrier before asking us to ship.
3. Accounts that are past due (100+ days) will be subject to COD status.
4. Orders that are ready for shipping, and do not ship due to a past due invoice, will not be shipped until all past due invoices are paid in full. (terms and conditions may vary)
5. VTE can accept American Express, VISA, MasterCard & Discover credit cards.
6. Returned items will incur a 15% restocking fee within three months of the ordered date. We will not accept returned items after three months of the purchase.

If you have any further questions, please contact Samantha Gorney @ 1.800.527.9256 or email samantha.gorney@vteworld.com

VTE Warehouse - Company Policies

VTE Warehouse is the stocking distributor for VTE, Inc.'s standard catalog products. We offer the buyer low volume shipments, low prices, and quick order processing.

FOB & COO: Pellston, Michigan USA 49769

Terminal Insulators: Under 1000 Pieces

Electro-Mechanical: Under 50 Pieces

Orders typically ship within 2 business days for in-stock items. Non-stocked items have a 2 - 4 week lead time. For higher quantities, please contact VTE Inc.

VTE Warehouse has a \$25.00 minimum order policy per shipment, per destination along with any shipping charges. Items ordered in materials other than our standard V material have a 100pc minimum order and are non-returnable.

We will ship via UPS or USPS Priority mail. Our payment terms are Net 30 or American Express, VISA, MasterCard, or Discover. To establish credit terms you will need to fill out a credit application that will be processed first.

VTE Warehouse can provide product drawings upon request. Certificate of Compliance and Certificate of Origin (NAFTA) documents are available. Our items meet RoHS Compliance. PPAPs, Flammability Tests paperwork, or Material Data Sheets are available by ordering from VTE Inc.

Returned items will incur a 25% restocking fee. We will not accept returns after three months of purchased date.

If you have any further questions, please contact customer service at 1.231.539.8000 or email at info@vtewarehouse.com
