5. Initial Disbursement

Prior to completion of the Work, the City will pay the Initial Disbursement indicated in Appendix A1 to the Property Owner.

6. Property Owner's Responsibility

The Property Owner understands and agrees that it is the Property Owner's sole responsibility to complete the Work by retaining a Contractor and to ensure that the Work is completed by the Completion Date.

The City takes no responsibility for and has no involvement in retaining a Contractor or any other person to complete the Work. The City also takes no responsibility for and has no involvement in the completion of the Work or in ensuring its completion, and the Property Owner is solely responsible for any action he or she may take that may impede or adversely affect the Contractor and the Contractor's ability to complete the Work in a timely manner. The Property Owner further understands and agrees that the City has no responsibility or liability to the Contractor or to the Property Owner for the completion of the Work including, without limitation, any delays, errors, or defects in the completion of the Work, any negligence of the Contractor in the completion of the Work, the Contractor's failure to complete the Work, any payment or failure to make payment to the Contractor or any other person in respect of completion of the Work, and the discharge of any liens on the Property.

The Property Owner is not an agent of the City.

The Property Owner understands and agrees that it is the Property Owner's sole responsibility to make payments for the completion of the Work, and that the City will make payments to the Property Owner in accordance with this POA only if all requirements for such payment have been met.

The City is not liable for any failure of the Work to achieve the expected energy savings or to qualify for a Final Disbursement under the Program. 7. Completion Date

Provided that the Property Owner notifies the City in writing by at least 4:00 pm on the business day that is at least 10 business days before the Completion Date that the Property Owner is unable to Substantially Perform the Work by the Completion Date, and provided further that the Property Owner indicates the reasons for the delay and makes available whatever additional written or verbal information the City requires, then the City retains the right in its discretion on a case by case basis to extend the Completion Date to a later date.

8. Approved Final Cost

Within 14 days of the earlier of (a) the Work being Substantially Performed or (b) the Completion Date, the Property Owner shall provide the City with the Project Completion Report.

The City shall then verify the completeness and accuracy of the Project Completion Report, and will disqualify the Property from any funding under this POA if the Project Completion Report is incomplete or, in the City's sole opinion, provides inadequate information to qualify for funding under this POA.

The City may, in its sole discretion, make any reasonable adjustments to the Actual Cost as evidenced on the Project Completion Report, and may inspect the Work in accordance with Section 25 of this POA.

The Actual Cost as verified and adjusted by the City in its sole discretion will constitute the Approved Final Cost.

9. Funding Amount

The Funding Amount shall be the amount, net of any Incentives/Rebates, that is the lesser of:

- (1) the Approved Final Cost;
- (2) the Estimated Cost plus Five (5) per cent of the Estimated Cost; and

10. Final Disbursement

The Final Disbursement shall be the Funding Amount as determined under Section 9 of this POA, less the Initial Disbursement.

11. Special Charge

(1) Calculating the Special Charge

After the Final Disbursement Amount is paid to the Property Owner, the City will calculate the Special Charge (Actual) for the Property.

The City will advise the Property Owner of the proposed Special Charge (Actual) pursuant to Section 16.

The Property Owner consents to the Special Charge (Actual) being levied by the City on the Property pursuant to the Regulation, and agrees to pay the Special Charge (Actual) in equal annual amounts over the Special Charge Term, by making 11 monthly payments per year under the Pre-authorized Property Tax Payment Plan.

At any time after the Special Charge (Actual) is levied on the Property by the City, the Property Owner can make a one-time payment of the amount of the Special Charge (Actual) remaining outstanding, which amount will include the Cost of Borrowing over the full Special Charge Term.

(4) Apportioning the Special Charge

The City apportions the Special Charge (Actual) on the basis of one Special Charge per property

12. Property Owner's Additional Obligations:

The Property Owner shall:

- (1) Complete the Work by the Completion Date;
- (2) Remain enrolled and in good standing in the City's Pre-authorized Property Tax Payment Program for the duration of the Payment Term;

- (4) Provide the City access to all information related to energy usage and water consumption at the Property for the period commencing in the calendar year prior to the commencement of the Work through to five years following the Completion Date.
- (5) Complete the Utility Usage Release Forms attached in Appendix D and submit them to the City.

13. Incentives/ Rebates

The Property Owner agrees to apply for all Incentives/Rebates for which the Property may be eligible, and agrees, to provide the City prior to submission of the Project Completion Report with information on all Incentives for which it has applied, and for which it has been approved.

Where the Property Owner has sought or received Incentives/Rebates separate and apart from those disclosed to the City in advance of the City making the Final Disbursement so that the Property Owner had not made the City aware of any such Incentives/Rebates in time for the City to deduct the amount of such Incentives from the Final Disbursement, the Property Owner hereby consents to the assignment to the City of all such Incentives/Rebates payable to the Property Owner, and agrees to direct the provider of the Incentive/Rebate to make payment of all such Incentives/Rebates to the City.

In addition, the Property Owner consents to the City communicating with the provider of such Incentive/Rebate any information pertaining to the Property Owner's request for or receipt of such Incentive/Rebate and to the Property Owner's application for and participation in the Program, including any information included in the Program Documents.

14. Withdrawal

The Property Owner may withdraw from this POA by completing the withdrawal form in Appendix H and submitting to the City Clerk by mail or in person so long as such submission arrives date-stamped no later than eight business days from the date the Property Owner submitted the signed POA to the City by mail or in person.

Once certified by the City Clerk, this POA is final and binding.

16. Notice of Local Improvement Roll

The City shall give notice to the Property Owner of the proposed Local Improvement Roll before the Special Charge (Actual) is imposed. The proposed Local Improvement Roll shall set out the proposed Special Charge (Actual) to be levied on the Property in respect of the undertaking of the Work on the Property under this POA and under the Program.

Upon receipt of notice of the proposed Local Improvement Roll, the Property Owner has 21 days to provide to the City written objections or proposed revisions to the proposed Local Improvement Roll.

The City's Treasurer shall consider any objections and proposed revisions to the proposed Local Improvement Roll as may be made by the Property Owner, and may make any corrections to the proposed Local Improvement Roll which the Treasurer considers fair and equitable as a result of such objections and proposed revisions. Once any such corrections are made, the Treasurer shall certify the Local Improvement Roll.

The certified Local Improvement Roll and the Special Charge (Actual) set out in it shall be final and binding on the Property, and the Work is conclusively deemed to have been lawfully undertaken in accordance with the Regulation.

17. Special Charges added to the Tax Roll

Pursuant to the *City of Toronto Act, 2006* and the Regulation, once levied, the Special Charge (Actual) can be added by the City to the tax roll for the Property. Once added to the tax roll the Special Charge (Actual) has the same priority to all other liens as property taxes, and will become an obligation of all subsequent owners of the Property.

The City will note the full amount of the Special Charge (Actual) on the tax roll, and this amount will appear on any tax certificates requested for the Property.

The Special Charge (Actual) will be collected through the tax bill for the Property, and payment will be due and payable at the same time as property tax payments for the Property.

The portion of the Special Charge (Actual) annually payable will be added to the tax roll for the Property and will form a priority lien on the property if not paid when due.

18. Severed Lands

Where the Property Owner seeks to sever the Property, the Special Charge (Actual) shall be:

- (1) reapportioned among the new lots in any manner the City considers just and equitable, having regard to the relative degree of benefit received by each of the new lot, and a new special charge will be imposed on each of the new lots in the amount apportioned to each lot; or
- (2) paid in full at the time of the City approval for the severance.

- (2) The City Treasurer will make any amendments and corrections to the Local Improvement Roll to reflect any correction to the Special Charge (Actual) made pursuant to subsection (1), and any apportionment of a Special Charge (Actual) pursuant to Section 18, and shall certify the corrected Local Improvement Roll.

20. Above Guideline Rent Increase Restriction

If applicable, the participating Property Owner understands and agrees not to apply for an above-guideline rent increase pursuant to the *Residential Tenancies Act* to assist the Property Owner in paying the Special Charge (Actual) or any other cost associated with the Work.

22. Sale and Release

The Property Owner shall have the unfettered right to sell, transfer, charge, and mortgage, encumber or otherwise deal with the Property without the prior consent of the City.

In the event the Property is transferred to a new owner, the Property Owner shall continue to be liable to the City for all Property Owner obligations and liabilities under this POA until the City signs the Assignment, Novation and Release, thereby releasing the Property Owner from obligations and liabilities under this POA.

The City shall not sign the Assignment, Novation and Release until all of the following conditions are met to the satisfaction of the City:

- (1) the Property Owner provides the City with a registered copy of the Transfer of the Property from the Property Owner to a new owner;

23. Ownership, Disclosure, and Confidentiality of Written Material

Please note that those provisions safeguard against disclosure of personal information but exceptions to such safeguards do apply.

Moreover, the City may be required to disclose these documents pursuant to other Applicable Laws and Requirements regarding disclosure of information and production of documents, including (but not limited to) the Federal Courts Rules, the Ontario Rules of Civil Procedure, the Criminal Code of Canada, subpoenas and summonses to witness, court orders, and any other federal, provincial or municipal statutory power that compels the City to disclose such information and documents.

The City reserves the right to make all final disclosure decisions including those pursuant to MFIPPA.

(2) MFIPPA Designation of Property Owner-Provided Material

If the Property Owner finds that any of the Property Owner-Provided Material, in whole or in part, contains information exempt from disclosure under MFIPPA (pursuant to Section 10 of

MFIPPA or any other section) or the other disclosure obligations discussed above, then the Property Owner should clearly identify the exempted information to the City. Doing so will more easily enable the City to notify the Property Owner in advance of any disclosure the City may be compelled to undertake.

The City shall assume no liability that may arise from a Property Owner failing to identify information to which any of these disclosure obligations stated above applies and to provide the necessary information in support thereof.

(3) Ownership and Confidentiality of City-Provided Materials

All City-Provided Material in connection with, or arising out of, the Program or this POA:

- a. is and shall remain the property of the City;
- b. must be treated by the Property Owner as confidential and not disclosed to anyone other than the Property Owner or City of Toronto staff (which does not include City Council Members or their staff) without written consent from the City unless such City-Provided Material was obtained in a manner available generally to the public (such as from the City's website); and
- c. other than in connection with the Program, must not be used or disseminated by the Property Owner for any purpose, including (but not limited to) for purposes of lobbying (as defined in Chapter 140 of the Toronto Municipal Code) on this or related matters without the express written permission of the City.

This provision survives the termination of the POA for five (5) years, beginning with the date on which the POA terminates.

24. Audit

The City may audit this POA and related records. The Property Owner shall at all times during the term of the POA, and for a period of two (2) years following the Payment Term, keep and maintain records of the Work performed pursuant to this POA. This shall include proper records of invoices, vouchers, Incentives/Rebates, timesheets, and other documents that support actions taken by the Property Owner. The Property Owner shall at its own expense make such records available for inspection and audit by the City at all reasonable times.

25. Inspection

Until the date that is three (3) years from the Completion Date, the City reserves the right, upon 14 days written notice to the Property Owner, to have a City Official or third party contractor retained by the City inspect the Work. Such inspection is solely for the purpose of verifying the Work stated in the Project Completion Report. By conducting such inspection, the City is not making any representations or warranties with respect to the Work and is not liable for any aspect of the Work.

26. Indemnities

The Property Owner indemnifies and saves harmless the City of Toronto, its Mayor, Members of Council, officers, employees, and agents from and against any losses, liens,

charges, claims, demands, suits, proceedings, recoveries and judgements (including legal fees and costs) arising from or related to the Property Owner's performance or non-performance of its obligations, including breach of any confidentiality obligations under the POA or infringement, actual or alleged of any Canadian, American or other copyright, moral right, trade-mark, patent, trade secret or other thing with respect to which a right in the nature of intellectual/industrial property exists.

Upon assuming the defence of any action covered under this section the Property Owner shall keep the City reasonably informed of the status of the matter, and the Property Owner shall make no admission of liability or fault on the City's part without the City's written permission.

27. Survival

In addition to any obligations set forth in this POA that by their nature survive the completion of the Work or termination of this POA or otherwise expressly survive, those obligations set forth in Sections 23 (Ownership and Confidentiality of City-Provided Material), 24 (Audit), and 26 (Indemnities) shall continue to bind the Property Owner notwithstanding the completion of the Payment Term, the release by the City of the Property Owner of its obligations under this POA, or the termination of this POA.

28. Severability

If any provision of this POA or the application thereof to any person or circumstances is found to be invalid, unenforceable or void by any court or tribunal of competent jurisdiction, such provision shall be deemed severable and all other provisions of this POA shall be deemed to be separate and independent therefrom and continue in full force and effect.

29. Further Assurances

The Property Owner agrees that it will do all such acts and execute all such further documents, conveyances, deeds, assignments, transfers and the like, and will cause the doing of all such acts and the execution of all such further documents (including waivers of moral rights) as are within its power to cause the doing or execution of, as the City may from time to time reasonably request, in writing, and as may be necessary or desirable to give full effect to this POA.
