Name: _____ Grade:_____ Date: _____

Video Game Storyboard

You are going to make a video game. In the game, the main character needs to collect a number of objects in a short amount of time. You are going to create a title, describe the main character, choose a background, and explain what happens in your game (what is missing and how much time does the main character have to find the missing objects).

Title: _____

Describe the main character in your game:

Name: _____ Age: _____

Gender (*Circle One*):   Boy   Girl

Choose a Background (*Circle One*):

What is missing? _____

_____

How much time does the main character have to find the missing objects? (*Circle One*):

          10 Seconds   30 Seconds   One minute
