LIABILITY INSURANCE

Cafe n' Stuff maintains a one million dollar liability insurance policy to cover both food and alcohol service, however there are times when a location will require to be named as an "additional insured" on our policy. We are happy to arrange for this, however our insurance company charges a \$50.00 fee for this service.

Dear Picnic Co-ordinator:

By now are you asking yourself, "How the heck did I get stuck with this job"? We know that planning a picnic is a lot of work and we would like to make it just a little easier by simply explaining to you what we have to offer without any hidden fees or unexplained extras.

Whether things are up or down at your company, a family outdoor event is just the thing. It builds morale and says thanks for a job well done. It's a time to meet people that you rush past in the hall every day, a time to be amazed at all the new kids in the company. And yes, it's time to see if the shorts still fit. Cafe n' Stuff can assist you with location, food & beverage, themes, activities, or any part of any of the above.

You will find in this package a selection of menu choices, this is by no means the extent of what we have to offer, but simply some of the most popular. If you do not find a menu that suits your tastes please allow us to create one for you.

Once you have an idea of what your menu will consist of we would like the opportunity to meet with your committee and allow you to **sample** some of the items that you have chosen.

Cafe n' Stuff is a full service caterer. What this means is that we can do as little as just preparing and serving the food for your picnic or our Picnic Co-ordinator can help you to choose your decorations, rental items and entertainment, and often this can be done more economically as a package, than if you choose one company for rentals and another for decorations, etc. Enclosed you will find more information on these services.

When comparing caterers please keep in mind that we have over ten years experience creating fun and successful company picnics. All of our employees are "veteran picnic specialists", we know how to create the most fun and best atmosphere. Your employees will be talking about this picnic for quite a while.

Please feel free to call me with any questions or to schedule an appointment for us to meet and discuss your specific requests.

Sincerely,
Rita DeBenedictis
Event Specialist
