

zed E-Commerce

Product Feature List

Now is the time to expand your customer reach, increase sales and decrease cost of sales by leveraging the Web. Take your SAP® Business One investment to the next level through the most proven and trusted integrated Web store, zed E-Commerce. Coupled with SAP® Business One, zed E-Commerce will enable you to quickly and easily explore new markets and opportunities worldwide – helping you stay one step ahead of your competitors. In combination with SAP® Business One's back-end inventory management and order fulfillment information, zed E-Commerce provides you the assurance needed to rest at night, while your business remains open 24 hours a day, 7 days a week.

The following Product Feature List provides an overview of the unique features and functions that zed E-Commerce can offer your business.
