Repair

Calibration and service

Error description**Cleaning declaration**

Due to the operating conditions of our devices and their accessories, dirt and contamination may occur. Therefore, you as a client are responsible for the cleanliness and decontamination when you return your device to ARGO-HYTOS GmbH. Because of legal requirements and the protection of our employees, we require the signed cleaning declaration. Otherwise we reserve the right to charge you with the additional effort for cleaning / decontamination. Please ensure that this declaration is attached outside on the packaging.

I hereby certify that the returned device and its accessories are clean and free from contamination.
