Dear Subcontractor:

Baines Group and Nibbi Brothers Joint Venture team has been selected as the General Contractor for the Alice Griffith Block 5 housing project within the Candlestick Point Redevelopment of San Francisco. We are in receipt of the Bid Set of documents and are currently requesting bid proposals from qualified subcontractors and suppliers including those certified with the City of San Francisco Contract Monitoring Division for **DIV 1-33**.

The Office of Community Investment and Infrastructure (OCII) has established a 50% SBE/LBE participation goal for this project with first consideration for San Francisco-based MBEs, WBEs and SBEs located in zip code areas 94124, 94134 and 94107 followed by all areas in San Francisco. A 50% construction workforce and permanent / temporary workforce goal per the Bayview Hunters Point Employment and Contracting Policy has also been established, with a residency modification to comply with the Section 3 Policy. The residency modification includes a goal of 25% for San Francisco Housing Authority (SFHA) residents. Contractors in conjunction with their subcontractors are required to make efforts to hire SFHA residents such that SFHA residents constitute a minimum of 25% of the total workforce (calculated by person-hours). This 25% goal is not additional; the hiring of SFHA residents counts toward the overall fifty percent (50%) construction workforce goal.

Bids are due Wednesday, May 24, 2017 @ 2:00pm. Please confirm your bidding status online through the BuildingConnected website.

Project Name: Alice Griffith Block 5
Project Location: San Francisco, CA 94124
Owner: McCormack Baron Salazar
Architect: HKIT Architects

Project Description: New construction of (2) 3-story type VB buildings to accommodate 31 units of affordable family apartments. The scope shall include a surface parking lot and the construction of an outdoor play area, landscaping, bicycle parking, and other site improvements.
