

IOM International Organization for Migration
OIM Organisation Internationale pour les Migrations
OIM Organización Internacional para las Migraciones

The International Organization for Migration in collaboration with the Government of St. Vincent & the Grenadines through the Regional Integration and Diaspora Unit (RIDU)

Is seeking a
“Skills Gap Assessment Consultant”
With the following profile:-

A University degree preferably in Social Sciences, Project Management, International Affairs or a related field with minimum three years of relevant professional experience in conducting quantitative and qualitative social economic research. Demonstrated knowledge of labour market dynamics in St. Vincent and the Grenadines will be an asset.

General functions:

The successful candidate will undertake a study on the existing skill gaps in St. Vincent and the Grenadines’ public, private and civil society sectors. This will include the following:

- Through consultation, meetings and/or surveys document and examine existing skill gaps within Government structures, civil society, universities, and the private sector;
- Complete assessment of needs to determine the skills/competencies required to support the development of St. Vincent and the Grenadines;
- To the extent possible, based on reports generated through the RIDU’s online database, match existing gaps in St. Vincent and the Grenadines with diaspora skills;
- Finalize the report on St. Vincent and the Grenadines’ skills gap assessment for public distribution;
- Present report findings at final project dissemination workshop;
- Provide regular progress updates to the National Project Coordinator for the Caribbean

Remuneration:

Remuneration commensurate with qualifications and experience

Interested candidates are invited to send their application (CV and Cover Letter) to iomguyana@iom.int quoting the position “Skills Gap Assessment Consultant” in the subject line no later than May 14th, 2017.
